

## Information for Students on Exchange

<b>A. University</b>	Telecom ParisTech  <a href="http://www.telecom-paristech.fr/eng">http://www.telecom-paristech.fr/eng</a>
<b>B. Country</b>	France
<b>C. Academics</b>	
<b>i) Module Mapping &amp; Credits Transfer</b>	<p>Please ensure that your Study Plan is approved by the academics at your home faculty before the exchange.</p> <p>Modules approved in the past might not be offered by the host university or approved by your faculty when it is time for your exchange. Please check the latest course offerings at the host universities while you are preparing your Study Plan.</p>
<b>ii) Academic Calendar</b>	<b>Semester 1:</b> End August to Mid February <b>Semester 2:</b> Mid February to End June
<b>iii) Exchange Duration</b>	<i>One semester</i>  For more information on the exchange programme, please refer to <a href="https://internationaltelecomparistech.wp.mines-telecom.fr/incoming-students/how-to-apply/">https://internationaltelecomparistech.wp.mines-telecom.fr/incoming-students/how-to-apply/</a>
<b>iv) Examination</b>	Students are expected to attend the mandatory examination at the host university.
<b>v) Curriculum Structure</b>	<p>Studies are divided into two semesters with the possibility to study at Telecom ParisTech for one to two semesters. Each semester is equivalent to 30 credits.</p> <p>The curriculum is based on the model of cumulative value units called “long modules” (48 hours in Paris or 42 hours in Eurecom–5 credits) or “short modules” (24 hours in Paris and 21 hours in Eurecom–2.5 credits).</p> <p>One half-day per week (Thursday afternoon) is allocated to sports and cultural activities so that students can take part in university sports competitions with other schools.</p> <p>A choice of two campuses is available: Paris campus or Eurecom at Sophia Antipolis campus. Each campus offers different study tracks.</p> <p><b>On the Paris Campus</b>, exchange students can choose technical and scientific courses from one of the 13 study tracks the School offers:</p>

	<ul style="list-style-type: none"> <li>• <a href="#">Algebra, Codes, Crypto, Quantum (ACCQ)</a></li> <li>• <a href="#">Communication Devices and Systems (SOCOM)</a></li> <li>• <a href="#">Data Science (SD)</a></li> <li>• <a href="#">Digital Signal Processing : Models and Applications (SIGMA)</a></li> <li>• <a href="#">Distributed Software Systems (SLR)</a></li> <li>• <a href="#">Embedded Systems (SE)</a></li> <li>• <a href="#">Human-Computer Interaction &amp; 3D Computer Graphics (IGR)</a></li> <li>• <a href="#">Image (IMA)</a></li> <li>• <a href="#">Infrastructures and network securities (SR2I)</a></li> <li>• <a href="#">Mathematics, Theoretical Computer Science and Operation Research (MITRO)</a></li> <li>• <a href="#">Networking (RES)</a></li> <li>• <a href="#">Stochastic processes and scientific computing (MACS)</a></li> <li>• <a href="#">Strategies, Innovation, Markets (SIM)</a></li> </ul> <p>In addition to the technical courses, students can also read courses in humanities or foreign languages as well as personal and professional skills courses.</p> <p>For more course information on the Paris Campus, please refer to <a href="http://www.telecom-paristech.fr/eng/international-studies/master-of-engineering/postgraduate-program.html">http://www.telecom-paristech.fr/eng/international-studies/master-of-engineering/postgraduate-program.html</a></p> <p>In the <b>Eurecom programme</b>, the curriculum is organized around 5 teaching tracks:</p> <ul style="list-style-type: none"> <li>• <a href="#">Data Science and Engineering</a></li> <li>• <a href="#">Mobile Communications</a></li> <li>• <a href="#">Multimedia</a></li> <li>• <a href="#">Smart Objects</a></li> <li>• <a href="#">Communication System Security</a></li> </ul>
--	--

	<p>In addition to the technical courses, students can also undertake courses in humanities or foreign languages as well as personal and professional skills courses.</p> <p>For more course information on the Eurecom Campus, please refer to <a href="http://www.eurecom.fr/en/teaching/engineering-studies">http://www.eurecom.fr/en/teaching/engineering-studies</a></p>
<b>vi) Entry Requirements</b>	<p>You should:</p> <ul style="list-style-type: none"> <li>(a) be registered as a full-time undergraduate student at NUS;</li> <li>(b) have successfully completed at least 2 years of Bachelor level study upon admission to the host university;</li> <li>(c) be a student of good standing at the home university with: <ul style="list-style-type: none"> <li>(i) a minimum CAP score of 3.0 out of 5.0 or a minimum 'B' average grade or 70% average marks or ranking in the top one-third of the class;</li> <li>(ii) a minimum 'B' grade in the current/intended discipline/major; and</li> <li>(iii) no single grade below 'C';</li> </ul> </li> <li>(d) show the aptitude, motivation and maturity, to thrive in the environment at the host university</li> </ul>
<b>vii) Language Proficiency Requirements</b>	<p>French proficiency is required for Paris Campus, courses are taught in English at Sophia Antipolis Campus.</p>
<b>viii) Faculties &amp; Schools accepting exchange students</b>	<p>On the Paris Campus, there are 4 Departments of teaching and research:</p> <ul style="list-style-type: none"> <li>• <a href="#">Communications and Electronics Department (Comelec)</a></li> <li>• <a href="#">Computer Science and Networks Department (Infres)</a></li> <li>• <a href="#">Economic and Social Sciences Department (SES)</a></li> <li>• <a href="#">Signal and Image Processing Department (TSI)</a></li> </ul> <p>On the Eurecom campus, priority has been given to 3 fields of research:</p> <ul style="list-style-type: none"> <li>• Networking and security</li> <li>• Multimedia communications</li> <li>• Mobile communications</li> </ul>
<b>ix) Module restrictions and pre-requisites</b>	<p>Students must have completed at least 4 semesters of undergraduate studies before participating in exchange programme at TELECOM ParisTech.</p>

<b>D. Application</b>	
<b>i) Procedures</b>	<p>All NUS student has to be nominated by NUS before they can apply for fee-waiver exchange at the host university.</p> <p>The application procedures and list of supporting documents needed by the host university can be found in the SharePoint.</p> <p>Please look for the SEP coordinator at your Dean's Office for the link to the SharePoint.</p>
<b>ii) Deadlines</b>	<p>All NUS student must abide by the internal application deadline set by their home faculty for exchange participation in the following academic year. After clearing the internal application and selection process, students have to take note of the application deadline set by the host university.</p> <p>Failure to submit a formal application to the host university will result in your exchange being forfeited even if you have been selected by NUS for the exchange.</p>
<b>E. Accommodations</b>	
<b>i) University Accommodation</b>	<p>On the Paris campus, students benefit from affordable rents at the Maisel (Maison des Elèves de Télécom ParisTech), the School's dormitories located at walking distance from the School:</p> <ul style="list-style-type: none"> <li>- €456 per month for a single room</li> <li>- €348 per month for a double room (studio for 2 students)</li> </ul> <p>Students may get a government subsidy of about €95 per month.</p> <p>On the Eurecom campus, students have the choice between several housing options. Half of Eurecom students live in residences (which could be private or public) and the other half in private rentals. The Student's Affairs team helps students to secure accommodation by providing them contacts from various housing options.</p> <p>For more information on accommodation, please refer to <a href="http://www.telecom-paristech.fr/eng/life-at-telecom-paristech/accommodation.html">http://www.telecom-paristech.fr/eng/life-at-telecom-paristech/accommodation.html</a></p>
<b>ii) Private Accommodation</b>	

## F. Visa

### Consular/Visa Regulation

Long-Stay visas are necessary for stays exceeding 3 months. Upon arrival in France, students are required to register with the French Immigration and Integration Office (OFII) for a residence permit.

Please visit the websites of French embassies and consulates in your country.

Upon arrival, non-European students who will stay more than 3 months need to request for a residence permit (for a 1st registration).

<http://www.diplomatie.gouv.fr/en/france/studying-in-france/administrative-steps/>

All students are advised to apply for the necessary visa immediately after they received the official offer letter/email from their host university.

Some visa application process could take up to 2 months to process. Your exchange at the host university depends on the clearance by the immigration of the host country.

For more information about visa, please refer to <http://www.ambafrance-sg.org/-English->

<https://internationaltelecomparistech.wp.mines-telecom.fr/incoming-students/practical-information/>

## G. Safety, Health & Medical Insurance

### i) Health/Medical Insurance

All registered NUS students are covered under the university health insurance and the blanket travel insurance. For more information on the university health insurance coverage, please refer to <http://www.nus.edu.sg/uhc/services/billing-insurance/insurance-matters.html>

For more information on the blanket travel insurance, please refer to 'Insurance Cover for Official NUS Trips' through <http://www.nus.edu.sg/finance/students/student-travel.html>

Students outside the European Economic Area will participate in the French national social security system ("Sécurité sociale") at the beginning of the academic year. Participation in the plan is mandatory for non-European students and costs about €211. The social security system reimburses about 60% of expenses related to an illness, on average.

**STUDENT EXCHANGE PROGRAMME (SEP)**
**Study Abroad Team**

	<p>Operating alongside this mandatory national system, student supplemental group health plans - "Mutuelle" (with annual premiums starting at €110), allow students to obtain coverage for all or part of the expenses not covered by the basic national plan, thus reaching full refund for health-related expenses.</p> <p>Students are also encouraged to subscribe, before their arrival, to an insurance which covers medical costs and repatriation in the event of serious illness or of an accident.</p> <p>Please review the insurance coverages to ensure that they meet your needs. Students can purchase additional health and/or travel insurance from their preferred agent.</p>
ii) Emergency Number at host university	

H. Cost of Living		
i) Estimated Monthly Living Expenses	Breakdown of Costs	Cost
	Accommodation	€460
	Food	€200
	Transport	€40
	Insurance	€40
	Others (Entertainment, clothes)	€150
	Monthly Estimate	€890
