<p>Consular/Visa Regulation</p>	<p>UK Visa and Immigration updates their immigration policy regularly. It is the student's responsibility to check on the requirements via their website before they leave for the exchange. https://www.gov.uk/government/organisations/uk-visas-and-immigration</p> <p><u>Short-term Study Visa for Semester Exchange</u></p> <p>If you are a Singapore citizen or a citizen of another country on the UK non-visa nationals list, and if your course of studies is less than 6 months, you can apply for:</p> <p>(1) single-entry Short Term Study Visa to the UK at the port of entry (free) or;</p> <p>(2) multiple-entry Short Term Study Visa prior to leaving your home country (about £93).</p> <p>The single-entry Short Term Study Visa is free but if you leave the UK during your home university registration period you will need to re-apply as a short-term student when you re-enter; for this reason you should always travel with your short-term study visa support letter.</p> <p>Alternatively if you think you are likely to leave and re-enter the UK during your course you should apply for a multiple entry short-term study visa in advance of travelling to the UK.</p> <p>Non-visa nationals who enter the UK on a short-term study visa are required to leave the UK after the course end date given on your Short-term Study visa support letter. If you wish to travel within the UK after your studies you will need to exit the UK and re-enter as a Standard Visitor which you can do at port of entry.</p> <p>Citizens from a country that needs a visa to enter the UK should apply for the multiple-entry Short Term Study Visa prior to leaving for your overseas exchange. You can contact the external visa office approved by UK Visa and Immigration to apply for multiple-entry Short Term Study Visa.</p> <p>Applying for a single-entry Short-Term Study Visa is usually an easier and cheaper process than applying for a Tier 4 Student Visa, if you <u>do not</u> need a Tier 4 Student Visa, please do not apply for it.</p>

	<p>Please refer to Edinburgh's visa information page: http://www.ed.ac.uk/international-office/immigration/applying-for-visa/visa-requirements</p> <p>All students are advised to apply for the necessary visa immediately after they received the official offer letter/email from their host university.</p> <p>Some visa application process could take up to 2 months to process.
