Short-term Study Visa for Semester Exchange

If you are a Singapore citizen or a citizen of another country on the UK non-visa nationals list, and if your course of studies is less than 6 months, you can apply for:

- (1) single-entry Short Term Study Visa to the UK at the port of entry (free) or;
- (2) multiple-entry Short Term Study Visa prior to leaving your home country (£93).

The single-entry Short Term Study Visa is free but if you leave the UK during your home university registration period you will need to re-apply as a short-term student when you re-enter; for this reason you should always travel with your short-term study visa support letter.

Alternatively if you think you are likely to leave and re-enter the UK during your course you should apply for a multiple entry short-term study visa in advance of travelling to the UK.

Non-visa nationals who enter the UK on a short-term study visa are required to leave the UK after the course end date given on your Short-term Study visa support letter. If you wish to travel within the UK after your studies you will need to exit the UK and re-enter as a Standard Visitor which you can do at port of entry.

Citizens from a country that needs a visa to enter the UK should apply for the multiple-entry Short Term Study Visa prior to leaving for your overseas exchange. You can contact the external visa office approved by UK Visa and Immigration to apply for multiple-entry Short Term Study Visa.

Applying for a single-entry Short-Term Study Visa is usually an easier and cheaper process than applying for a Tier 4 Student Visa, if you do not need a Tier 4 Student Visa, please do not apply for it.

Tier 4 Student Visa for Full-Year exchange

	<p>If you are a citizen of a country not on the non-visa nationals list then you still must obtain a Tier 4 (General) Student Visa or a Short Term Study Visa before travelling to the UK.</p> <p>Student Visitor application information: https://www.gov.uk/visas-immigration</p> <p>Your exchange at the host university depends on the clearance by the immigration of the host country.</p>
