iv) Examination	Students are expected to attend the mandatory examination at the host university.
v) Programmes Offered for Exchange Students	Tokyo Tech offers the following programmes to exchange students. Young Scientist Exchange Program (YSEP) <ul style="list-style-type: none"> - YSEP Focused on Experience (YEJ): The one-semester long programme offers students who have completed at least two and a half years of study at their undergraduate study the opportunity to be involved in a research project; take courses on Japan related topics (taught in English) and study on Japanese companies and industries. Students may take elective subjects from the International Graduate Program (offered in English) and Japanese Language Course. - YSEP Focused on Research (YFR): This one-year programme offers students who have completed at least three years of undergraduate study the opportunity to participate in Sotsuron (Individual research project, including presentation); take courses on Japan related topics (taught in

	<p>English) and study on Japanese companies and industries. Students may take elective subjects from the International Graduate Program (offered in English) and Japanese Language Course.</p> <p>Academic Cooperation Agreement Program (ACAP)</p> <ul style="list-style-type: none"> - The programme offers undergraduate students in their 2nd year or above the opportunity to study and research under the guidance of an academic advisor. Students may enroll in additional classes with the permission of their instructor. Students who meet the academic equivalence of the final year of a bachelor's degree may enroll in graduate classes offered in English. It is recommended that students are proficient in Japanese language. <p>Minimum and average workload per semester:</p> <ul style="list-style-type: none"> - YEJ: The compulsory subjects include research project (4 credits); topics on Japan (2 credits) and study on Japanese companies and industries (2 credits): Total of 8 credits. - YFR: The compulsory subjects include Sotsuron - Research Project (6 credits); topics on Japan (2 credits) and study on Japanese companies and industries (2 credits): Total of 10 credits. - ACAP: No minimum requirement <p>YSEP students can take any courses from the International Graduate Program and Undergraduate Program of Tokyo Tech. The list of subjects conducted in English can be found in YSEP Syllabi.</p> <p>Programme information: YSEP: http://www.titech.ac.jp/english/graduate_school/international/exchange/ysep.html ACAP: http://www.titech.ac.jp/english/graduate_school/international/exchange/acap.html</p>
vi) Entry Requirements	<p>Completed at least one year of study at NUS (for ACAP) or two and a half years of study at NUS (for YEJ) upon application with host university. CAP of 3.0 out of 5.0 with no grade below C.</p>
vii) Language Proficiency Requirements	<p>Japanese language proficiency is not required for YSEP and ACAP. However, it is recommended that students have basic Japanese language knowledge.</p>
viii) Faculties & Schools accepting exchange students	<ul style="list-style-type: none"> • School of Science • School of Engineering • School of Bioscience and Biotechnology

ix) Module restrictions and pre-requisites	Graduate courses are offered to senior year undergraduate students who have completed at least two and a half years of study at their undergraduate study.
D. Application	
i) Procedures	<p>Students can apply for SEP one year in advance through their home faculty in NUS between September and June. Please look out for your faculty's announcement regarding the application period.</p> <p>Once you have been selected by your home faculty for SEP, your faculty will contact you and provide information regarding application with your host university. Please prepare the necessary documents before the start of the application period at your host university.</p> <p>Students are required to submit a recommendation letter from their academic supervisor (Associate Professor or equivalent and above) in NUS at the time of application with Tokyo Tech.</p> <p>In addition, students applying for ACAP need to secure a supervisor/professor at Tokyo Tech and submit evidence that he/she has consented to be the applicant's academic advisor at the time of application with Tokyo Tech. A PDF copy of the email correspondence with the professor is sufficient to fulfil this requirement.</p>
ii) Deadlines	<p>All NUS student must abide by the internal application deadline set by their home faculty for exchange participation in the following academic year. After clearing the internal application and selection process, students have to take note of the application deadline set by the host university</p> <p>Failure to submit a formal application to the host university will result your exchange being forfeited even if you have been selected by NUS for the exchange.</p>
E. Accommodations	
i) University Accommodation	<p>Accommodation options for YSEP students:</p> <ul style="list-style-type: none"> • Shofu Ryugakusei Kaikan (about 15 minutes' walk from Aobadai station in Kanagawa prefecture) • Umegaoka Ryugakusei Kaikan (about 20 minutes' walk from Fujigaoka station in Kanagawa prefecture) • Students will be assigned twin rooms with other YSEP students • Accommodation is not guarantee due to limited dormitory rooms • Successful applicants will be provided with information on housing about one or one and a half month before enrolment. <p>Tokyo Tech will try to arrange a dormitory for ACAP students, subject to availability as the dormitory is limited.</p>

	<p>For more information about accommodation for:</p> <ul style="list-style-type: none"> - YSEP: http://www2.gakumu.titech.ac.jp/ysep/manage.html - ACAP: http://www.titech.ac.jp/english/graduate_school/international/exchange/acap.html
ii) Private Accommodation	<p>The COOP service at Tokyo Tech will assist students to search for a private apartment after enrolment at Tokyo Tech. Useful information will be obtainable at the COOP office.</p>
F. Visa	
Consular/Visa Regulation	<p>Upon acceptance, Tokyo Tech will apply for a Certificate of Eligibility on your behalf with the Japanese Ministry of Justice, and send it to you when issued. The certificate is required for you to apply for a study visa. Exchange students must obtain a “College Student” visa for the duration of their study in Japan. Please visit the Japan Embassy website for the required supporting documents for your visa application.</p> <p>All students are advised to apply for the necessary visa immediately after they received the official offer letter/email from their host university. This is to ensure that you can obtain your visa in time before the start of your exchange term. Your exchange at the host university depends on the clearance by the immigration of the host country.</p> <p>For more information on visa applications, please refer to http://www.mofa.go.jp/j_info/visit/visa/index.html</p>
G. Safety, Health & Medical Insurance	
i) Health/Medical Insurance	<p>All registered NUS students are covered under the university health insurance and the blanket travel insurance. For more information on the university health insurance coverage, please refer to http://www.nus.edu.sg/uhc/services/billing-insurance/insurance-matters.html</p> <p>For more information on the blanket travel insurance, please refer to ‘Insurance Cover for Official NUS Trips’ through http://www.nus.edu.sg/finance/students/student-travel.html</p> <p>Foreign nationals living in Japan for more than three months are required to join the National Health Insurance.</p> <p>In addition, it is recommended that you purchase a comprehensive travel insurance for the full duration of your stay abroad, including your personal travel within/outside Japan. Please review the insurance coverages to ensure</p>

	<p>that they meet your needs. Students can purchase additional health and/or travel insurance from their preferred agent.</p> <p>For more information on health and insurance, please refer to http://www.ryu.titech.ac.jp/~ysep/manage.html#health</p>
ii) Emergency Number at host university	+81 3 5734 3027
