

Information for Students on Exchange

A. University	University of Oslo http://www.uio.no/english/
B. Country	Norway
C. Academics	
i) Module Mapping & Credits Transfer	<p>Please ensure that your Study Plan is approved by the academics at your home faculty before the exchange. You can check with the SEP Coordinator in the Dean's Office of your home faculty.</p> <p>Modules approved in the past might not be offered by the host university or approved by your faculty when it is time for your exchange. Please check the latest course offerings at the host universities while you are preparing your Study Plan.</p>
ii) Academic Calendar	<p>Semester 1: Mid August to Mid December Semester 2: Early January to Mid June</p> <p>It is recommended that students go in Semester 2 where more housing is available.</p>
iii) Exchange Duration	Semester based exchange is possible.
iv) Examination	Students are strongly recommended to introduce themselves personally to their professors at the beginning of classes and arrange the details and date of their examinations if necessary. Should professors not be able to provide an alternative exam timing or assessment, students should respect the professors' position and change courses at the beginning of the semester rather than only checking with professors and asking for exceptions in the middle or end of the semester.
v) Curriculum Structure	<p>A course is a freestanding unit with a credit value that normally varies between 5 and 20 ECTS credits. A course group is a group of courses defined as constituting an academic unit. The standard credit system used for courses at the University of Oslo is the European Credit Transfer and Accumulation System (ECTS). One year of full-time studies corresponds to 60 credits.</p> <p>The study programmes are made up of courses and course groups, and may also contain additional elective courses. Some courses within a programme or a course group are compulsory, while students may freely choose others. The programmes of study may have course groups of varying extent. Course</p>

	groups amounting to 40 or 80 ECTS credits are most common at undergraduate level.
