| F. Visa | |
| Consular/Visa Regulation | All students are advised to apply for the necessary visa immediately after they receive the official offer letter/email from their host university. |

| | |
|--|--|
| | <p>Some visa application processes can take up to 2 months to process. Your exchange at the host university depends on the clearance by the immigration of the host country.</p> <p>Critical immigration procedures are discussed in the cover letter which accompanied your Certificate of Eligibility. Read this information very carefully to know the correct procedures for your particular situation. For a list of US Embassies, Consulates and web sites, click here. For more information, check the OIE web site.</p> <p>When you are traveling to the US, make sure you carry your original documents (passport, DS-2019, evidence of admission and financial resources) with you in your carry-on luggage.</p> |
| G. Safety, Health & Medical Insurance | |
| i) Health/Medical Insurance | <p>All registered NUS students are covered under the University health insurance and the blanket travel insurance. For more information on the University health insurance coverage, please refer to http://www.nus.edu.sg/uhc/healthservice/insurance-schemes/undergraduate-scheme.html.</p> <p>For more information on the blanket travel insurance, please refer to http://www.nus.edu.sg/finance/InsuranceCoverforOfficialNUSTrips.html</p> <p>If the insurance coverage is not enough, students are advised to purchase additional health and/or travel insurance from their preferred agent.</p> <p>Health insurance is required for all enrolled students by the University and is a necessity for everyone living in the US because the cost of routine and emergency health care as well as prescription medicine is extremely expensive.</p> <p>Note: international students and scholars are not eligible for public benefits available to many US citizens with low incomes. Accepting any such public benefits can cause you to lose your legal status in the US and create a bar to your re-entry to this country. J visa holders (J-1 students, scholars and their dependents) are required by US federal law to have health insurance which meets minimum standards set by the government.</p> <p>http://www.cmu.edu/health-services/student-insurance/</p> |
