Students who want to take courses in the Shidler College of Business should already have a solid foundation in academic business and a strong command of the English language.
<b>D. Application</b>	
<b>i) Procedures</b>	All NUS students have to be nominated by NUS before they can apply for a fee-waiver exchange at the host university.  The application procedures and list of supporting documents needed by the host university can be found in the SharePoint.  Please look for the SEP coordinator at your Dean's Office for the link to the SharePoint.
<b>ii) Deadlines</b>	All NUS students must abide by the internal application deadline set by their home Faculty for exchange participation in the following academic year. After clearing the internal application and selection process, students have to take note of the application deadline set by the host university.  Failure to submit a formal application to the host university by the stipulated deadline, may result in your exchange being forfeited even if you have been selected by NUS for the exchange.
<b>E. Accommodation</b>	
<b>i) University Accommodation</b>	<b>Housing Options</b>  <b>On-campus:</b>  Living on campus generally costs much less than off-campus alternatives. Two-thirds of on-campus accommodations are made up of Residential Halls (mostly double shared rooms). Meal plans are mandatory for residential halls and there is a wide selection of meal plans available. There are also one and two-bedroom apartments available on campus (mostly shared double rooms) with kitchen facilities. The cost of living in an apartment is, on average, the same as the residential halls.  <a href="http://manoa.hawaii.edu/housing/">http://manoa.hawaii.edu/housing/</a>
