

Information for Students on Exchange

A. University	Université de Technologie Compiègne (UTC) https://www.utc.fr/en.html
B. Country	France
C. Academics	
i) Module Mapping & Credits Transfer	<p>Please ensure that your Study Plan is approved by the academics at your home faculty before the exchange.</p> <p>Modules approved in the past might not be offered by the host university or approved by your faculty when it is time for your exchange. Please check the latest course offerings at the host universities while you are preparing your Study Plan.</p>
ii) Academic Calendar	Semester 1: September to January Semester 2: February to June
iii) Exchange Duration	<i>One semester</i> For more information about the exchange programme, please refer to http://www.utc.fr/formation_training/exchange-student.php
iv) Examination	Students are expected to attend the mandatory examination at the host university.
v) Curriculum Structure	<p>UTC has a flexible course system whereby the students gain and accumulate Credit Course (CCs) points, over a two semester period. The scope of the CCs is wide-ranging and each CC at UTC carries between 4 and 6 ECTS (European Credit and Transfer System). The annual commitment for an undergraduate at UTC is 60 ECTS (equivalent to approx. 12 CCs).</p> <p>For exchange students, a four week intensive French course is organized before the beginning of each semester. It is free of charge for students of exchange partners and is followed by a special "Integration week" for counselling and orientation. In addition, students on full year exchange to UTC may apply for UTC BSc "Certificat d'Études Supérieures de Technologie" de l'UTC. Interested students should visit UTC website for more information.</p> <p>For more course information, please refer to https://www.utc.fr/en/international/studying-at-utc/exchange-students/course-choices-and-french-language-classes.html</p>
