Alternative assessments can sometimes be arranged but are not guaranteed. Please contact global-opportunities@bristol.ac.uk if you have any questions.</p> <p>Semester 2 students are required to be in Bristol for the May/June exam period.</p> <p>Bristol modules which run for the full year are assessed at the end of the academic year only.</p>
v) Curriculum Structure	<p>A full year's work is 120 Bristol credit points, and students are expected to take the full load regardless of their graduation requirements. If they are studying in a range of departments, they may not be able to take precisely 120 units, so margins of 100 to 130 are acceptable and are still considered to be a standard year's work for transfer purposes.</p>

F. Visa	
Consular/Visa Regulation	<p>UK Visa and Immigration updates their immigration policy regularly. It is the student's responsibility to check on the requirements via their website before they leave for the exchange.</p> <p>https://www.gov.uk/government/organisations/uk-visas-and-immigration</p> <p><u>Short-term Study Visa for Semester Exchange</u></p> <p>If you are a Singapore citizen or a citizen of another country on the UK non-visa nationals list, and if your course of studies is less than 6 months, you can apply for:</p> <ul style="list-style-type: none"> (1) single-entry Short Term Study Visa to the UK at the port of entry (free) or; (2) multiple-entry Short Term Study Visa prior to leaving your home country (about £93). <p>The single-entry Short Term Study Visa is free but if you leave the UK during your home university registration period you will need to re-apply as a short-term student when you re-enter; for this reason you should always travel with your short-term study visa support letter.</p> <p>Alternatively if you think you are likely to leave and re-enter the UK during your course you should apply for a multiple entry short-term study visa in advance of travelling to the UK.</p> <p>Non-visa nationals who enter the UK on a short-term study visa are required to leave the UK after the course end date given on your Short-term Study visa support letter. If you wish to travel within the UK after your studies you will need to exit the UK and re-enter as a Standard Visitor which you can do at port of entry.</p>

	<p>Citizens from a country that needs a visa to enter the UK should apply for the multiple-entry Short Term Study Visa prior to leaving for your overseas exchange. You can contact the external visa office approved by UK Visa and Immigration to apply for multiple-entry Short Term Study Visa.</p> <p>Applying for a single-entry Short-Term Study Visa is usually an easier and cheaper process than applying for a Tier 4 Student Visa, if you <u>do not</u> need a Tier 4 Student Visa, please do not apply for it.</p> <p><u>Tier 4 Student Visa for Full-Year exchange</u></p> <p>For students who need Tier 4 Student Visa, Bristol will issue the necessary CAS statement for Tier 4 Student Visa application. Applicants should ensure that they are fully aware of what they will need to do in order to successfully apply for a Tier 4 Student Visa. The application for Tier 4 Student Visa can take up to three months and students are advised to apply for the visa in advance of their intended date of travel to the UK. More information on this can be found online here.</p> <p>Your exchange at the host university depends on the clearance by the immigration of the host country.</p>

i) Health/Medical Insurance	<p>Students who are on exchange in UK for less than six months are not entitled to subsidised NHS treatment.
