The application procedures and list of supporting documents needed by the host university can be found in the SharePoint. Please look for the SEP coordinator at your Dean's Office for the link to the SharePoint.
ii) Deadlines	All NUS students must abide by the internal application deadline set by their home Faculty for exchange participation in the following academic year. After clearing the internal application and selection process, students have to take note of the application deadline set by the host university. Failure to submit a formal application to the host university by the stipulated deadline, may result in your exchange being forfeited even if you have been selected by NUS for the exchange.
E. Accommodation	
i) University Accommodation	Housing Options On-campus: The University of Oregon has a variety of housing options, including traditional residence halls where all room and board needs are met, private apartments, and living with local families. The terms "residence hall" and "dorm" are often used interchangeably, however there is a difference between the two. An important objective of residence halls at the University of Oregon is to provide not just a place to sleep, but also opportunities for personal and educational growth. Highly trained Residence Life staff and Hall Government officers support this objective by creating engaging activities and programs in each hall or complex. Off-campus:

	<p>The University of Oregon does not supply information regarding housing and apartments off-campus generally. There is one bulletin board with housing information located outside the entrance to Office of International Programs (330 Oregon Hall). In addition, we suggest you examine local newspapers such as The Daily Emerald (http://www.dailymerald.com/classifieds/) and The Register Guard classified sections. Students who are planning to live off-campus are advised to arrive one to two weeks before International Student Orientation to secure housing.</p> <p>Homestay:</p> <p>The homestay program at the University of Oregon offers you a great opportunity to live with an American family for a few days before ISO begins. It is a great chance to meet and interact with community members and have "instant friends" when you arrive in America.</p>
