

Information for Students on Exchange

A. University	Stockholm University http://www.su.se/english/
B. Country	Sweden
C. Academics	
i) Module Mapping & Credits Transfer	<p>Please ensure that your Study Plan is approved by the academics at your home faculty before the exchange.</p> <p>Modules approved in the past might not be offered by the host university or approved by your faculty when it is time for your exchange. Please check the latest course offerings at the host universities while you are preparing your Study Plan.</p>
ii) Academic Calendar	<p>Semester 1: August to January Semester 2: January to June</p> <p>Examinations are arranged throughout the year with no fixed examination periods.</p>
iii) Exchange Duration	<p>One semester</p> <p>For more information about the exchange programme, please refer to http://www.su.se/english/study/exchange-students</p>
iv) Examination	Students are expected to attend the mandatory examination at the host university.
v) Curriculum Structure	<p>Full-time studies are equivalent to 30 ECTS credits per term/semester. Besides higher level courses that may form part of a degree, it is possible to take a Swedish course for beginners at Stockholm University. Exchange students may register for 30 ECTS credits plus Swedish language courses.</p> <p>Teaching takes different forms: lectures, seminars, group work, laboratory work, independent study, etc.</p> <p>Examinations seldom require that students merely reproduce the material presented during lectures. A common method is a take-home examination. This is an open book, open note examination in the form of a paper or an essay. There will usually be a number of questions and the examiners will specify in advance whether the essay requires full footnoting and bibliographic sections.</p> <p>Also written “sit-down” examinations are common, and these mostly take place at the very end of each course. Continuous assessment is used in</p>

ix) Module restrictions and pre-requisites	Students may choose any course in the study area named in the agreement, provided that they meet the prerequisites specified for each course. It is important that the home university approves the courses students plan to take at Stockholm University. Students should choose courses together with the department at the home university and the department at Stockholm University.
D. Application	
i) Procedures	<p>Students can apply for SEP one year in advance through their home faculty in NUS between September and June. Please look out for your faculty's announcement regarding the application period.</p> <p>Once you have been selected by your home faculty for SEP, your faculty will contact you and provide information regarding application with your host university. Please prepare the necessary documents before the start of the application period at your host university.</p>
ii) Deadlines	All NUS student must abide by the internal application deadline set by their home faculty for exchange participation in the following academic year. After

	<p>clearing the internal application and selection process, students have to take note of the application deadline set by the host university.</p> <p>Failure to submit a formal application to the host university will result in your exchange being forfeited even if you have been selected by NUS for the exchange.</p>
E. Accommodations	
i) University Accommodation	<p>As a special service Stockholm University tries to assist students from partner universities with accommodation. Stockholm University does not own any student dormitories and does not normally organise accommodation for students. A special exception is made for exchange students from universities with which Stockholm University has a signed co-operation agreement.</p> <p>The Housing Office at the International Exchange Unit manages a limited number of rooms in Stockholm. Unfortunately, due to the high demand and shortage of accommodation in Stockholm, it cannot guarantee accommodation for every exchange student.</p> <p>In order to be able to apply for housing you need to be an exchange student. Exchange students apply for accommodation on the general registration form or via the on-line application form for exchange students.</p> <p>For more information on accommodation, please refer to http://www.su.se/english/study/student-services/housing/housing-for-exchange-students/housing-for-exchange-students-1.209933</p>
ii) Private Accommodation	
F. Visa	
Consular/Visa Regulation	<p>Students from outside the EU/EEA must apply for a residence permit at the Swedish Embassy/Consulate in their country of residence, directly after receiving the headed admissions letter from Stockholm University. Applications for a residence permit can under no circumstances be submitted after entering Sweden. Students are strongly advised to apply as soon as they receive their Letter of Acceptance, since it may take up to three months to get the documentation finalised.</p> <p>The following documents are required:</p> <ul style="list-style-type: none"> • A copy of a valid passport or ID-card

	<ul style="list-style-type: none"> • Letter of admission from Stockholm University stating the duration of studies • Proof that you can support yourself during your stay in Sweden (i.e. a bank statement in your name); the applicable minimum amount per month of stay is stipulated at the Swedish Migration Board website • A valid health insurance, if the duration of the programme is one year or less. <p>All students are advised to apply for the necessary visa immediately after they received the official offer letter/email from their host university.</p> <p>Some visa application process could take up to 3 months to process. Your exchange at the host university depends on the clearance by the immigration of the host country.</p> <p>For more information about visa, please refer to http://www.migrationsverket.se/Privatpersoner.html</p>
G. Safety, Health & Medical Insurance	
i) Health/Medical Insurance	<p>All registered NUS students are covered under the university health insurance and the blanket travel insurance.
