E. Accommodations	
i) University Accommodation	Students from the University of Hohenheim could be allocated a room at one of several halls of residences run by Student Services Tuebingen-Hohenheim. However only a limited number of rooms are reserved for international students (non-European nationals). There is a high demand for these rooms, which is why only a small number of applications will be

	<p>successful.</p> <p>In addition to halls of residences, there are flat-sharing communities, small apartments and other forms of communal living.</p>
F. Visa	
Consular/Visa Regulation	<p>EU citizens and citizens from the following countries do not need a visa to enter Germany: Australia, Canada, Honduras, Iceland, Israel, Japan, Korea, Liechtenstein, Monaco, New Zealand, Norway, San Marino, Switzerland and the United States. However, after entering Germany, you will have to apply for a residence permit at the local "Auslaenderbehörde" (Immigration Office) if you are staying for more than three months.</p> <p>Students from all other countries must apply for a visa for study purposes via the German diplomatic representation in their home country. You must not under any circumstances travel to Germany on a tourist visa.</p> <p>All students are advised to apply for the necessary visa immediately after they received the official offer letter/email from their host university.</p> <p>Some visa application process could take up to 2 months to process. Your exchange at the host university depends on the clearance by the immigration of the host country.</p> <p>For more visa information, please refer to http://www.singapur.diplo.de/Vertretung/singapur/en/04/2_Visa/seite_22_National_Visa.html#topic15 </p>
G. Safety, Health & Medical Insurance	
i) Health/Medical Insurance	<p>Students originating from non-EU countries must take out statutory health insurance; you are free to choose which company you purchase it from. The fees are the same at all statutory health insurance companies (approx. €65 per month). You can purchase health insurance during the enrolment process. Different statutory health insurance companies send representatives directly to the university campus during this period.</p> <p>Foreign private insurance is generally not acceptable, and we strongly advise against such insurance. Health-related costs in Germany are very high and must - in case of private insurances - be paid by the patients out of pocket first before being reimbursed by the private insurance company. In addition, many services are not reimbursed. Foreign private health insurances are in most cases not accepted if you apply for a residence permit. Health insurance through the International Student Identity Card (ISIC) is absolutely not acceptable.</p>

	<p>In addition, all registered NUS students are covered under the university health insurance and the blanket travel insurance. For more information on the university health insurance coverage, please refer to http://www.nus.edu.sg/uhc/healthservice/insurance-schemes/undergraduate-scheme.html.</p> <p>For more information on the blanket travel insurance, please refer to http://www.nus.edu.sg/finance/InsuranceCoverforOfficialNUSTrips.html</p>
