<b>D. Application</b>	
<b>i) Procedures</b>	All NUS students have to be nominated by NUS before they can apply for a fee-waiver exchange at the host university.  The application procedures and list of supporting documents needed by the host university can be found in the SharePoint.  Please look for the SEP coordinator at your Dean's Office for the link to the SharePoint.
<b>ii) Deadlines</b>	All NUS students must abide by the internal application deadline set by their home Faculty for exchange participation in the following academic year. After clearing the internal application and selection process, students have to take note of the application deadline set by the host university.  Failure to submit a formal application to the host university by the stipulated deadline, may result in your exchange being forfeited even if you have been selected by NUS for the exchange.
<b>E. Accommodation</b>	
<b>i) University Accommodation</b>	<b>Housing Options</b>  <b>On campus housing:</b> Exchange students have the opportunity to apply for on-campus housing or may choose to live off campus.  U Miami advise students to apply for on-campus housing as it can be quite difficult to arrange short term leases and transportation to campus. If you choose to apply for on-campus housing you should do so as soon as possible. On-campus housing is not guaranteed. Be sure to familiarize yourself with any housing contract.  <b>Off campus housing:</b> Assistance with off-campus housing is available through the Department of Residence Halls. The department offers consultations, over-the-phone guidance, a housing database and roommate

finder. For more information, visit the off-campus housing website:
