ix) Module restrictions and pre-requisites	Restrictions for Exchange Students <p>University of Maryland has a number of Limited Enrolment Programmes; it is highly recommended that students apply by the best consideration deadline (if officially nominated for the exchange by their home Faculty at NUS) so the University of Maryland Exchange Team will be able to request an early registration time for those students.</p> <p>Undergraduate exchange students must take a minimum of 12 credits per semester, which is typically the equivalent of 4 courses. Generally, University of Maryland students do not take more than 2 or 3 classes within their major discipline of study during the semester. Exchange students should plan to take a few elective classes as well as 2 or 3 classes in their major discipline of study. Exchange students are expected to select their first choice classes and an alternative class list with their application. University of Maryland cannot guarantee that students will be able to register for particular classes at University of Maryland.</p> <p>Exchange students can select from thousands of course offerings over 10 colleges. A complete list of current course offerings can be found on the UMD Schedule of Classes (link is external).</p> <p>Students should refer to the following pages for information on the Academics at University of Maryland: https://globalmaryland.umd.edu/offices/education-abroad/academics</p>	
D. Application		
i) Procedures	<p>All NUS students have to be nominated by NUS before they can apply for a fee-waiver exchange at the host university.</p> <p>The application procedures and list of supporting documents needed by the host university can be found in the SharePoint.</p> <p>Please look for the SEP coordinator at your Dean’s Office for the link to the SharePoint.</p>	
ii) Deadlines	<p>All NUS students must abide by the internal application deadline set by their home Faculty for exchange participation in the following academic year. After clearing the internal application and selection process, students have to take note of the application deadline set by the host university.</p>	

	Failure to submit a formal application to the host university by the stipulated deadline, may result in your exchange being forfeited even if you have been selected by NUS for the exchange.
E. Accommodation	
i) University Accommodation	<p>Housing Options</p> <p>Undergraduate students are guaranteed housing as long as they complete the online housing application on the Department of Resident Life website. Instructions on how to apply for on-campus housing are provided in the post-acceptance documents on MyEA. Students can only apply for housing after they have been accepted and assigned a student and university ID number.</p> <p>Housing fees depend on the type of housing that is assigned – see the Department of Resident Life website.</p> <p>Some on-campus accommodations do not have kitchen facilities. In these cases, students are required to purchase a meal plan and do not have the option of waiving out of an on-campus meal plan.</p> <p>Students who are assigned to on-campus accommodations with a kitchen can opt out of a meal plan.</p> <p>More information on housing at University of Maryland can be seen at: https://globalmaryland.umd.edu/offices/education-abroad/student-life</p>
